Meus amiguinhos,

Eu nasci no suplemento do Saturday Evening Post, em junho de 1935. A bolação foi de Marge, Marjorie Henderson Buell. Minha primeira revista de quadrinhos foi publicada em 1948, iniciando uma longa série. Durante 14 anos, os roteiros das histórias foram criados por John Stanley e as tiras de jornal, primeiramente, por Woody Kimbrell e, depois, pelo escritor Del Connell e por muitos outros artistas, incluindo Roger Armstrong. As histórias de Stanley são as favoritas entre os colecionadores (Eu também acho!). O meu amigo, Bolinha, só teve sua própria revista a partir de 1952 (Ah! Ah! Ah!). A maioria dos curtidores de quadrinhos considera a nossa turminha como a melhor de todos os tempos. Por isso, estamos reunidos nesse livro onde vocês vão se divertir com a nossa turma, nossas brincadeiras e até mesmo as maluquices que acontecem na vida da gente.

Beijos da

Lulu.
